

A BEAUTIFUL LIFE

What does love mean to you?

Who shows their love to you?

Do they call you on your Birthday, Thanksgiving, Christmas, New Years Eve for example?

Do they cook up special recipes and teach you how to live on your own?

Do they ask if you want to come over and celebrate with them on special occasions?

When you grow up in the “System” (Foster Care or other) your whole life;

Do you wonder if or when someone will love you?

Do you love and respect yourself?

Look around, love for you is there

You built your own circle of trust and support

Look inside and you will see the love

Open your heart to the love around you

It' a Beautiful Life
