BELONGING TO MY COMMUNITY

MY LIFE STRENGTHENED THROUGH MY COMMUNITY:

I am proud to be a part of my community. It has provided me with opportunities to grow. I am living life through learning new things with my community. I grew up here and spent most of my life here in Timmins a place I call home sweet home. I love my hometown because I enjoy the summer breeze and the colorful fall weather. I also enjoy the spring because I enjoy seeing the

flowers and plants grow with such great beauty. I enjoy the winter weather because it is the time of year that I spend with family and close friends. We share memories and new experiences. My strength comes from my family raising my siblings and I so close

together. I will live here knowing that I made great things happen for a great community. I will one day look back and know that I accomplished what I wanted and made a difference. I will keep doing what I do to help others reach their goals.
