Dear friends of Community Living Timmins,

May is Community Living Month, a province-wide annual awareness campaign created to promote authentic inclusion with people who have an intellectual disability and their families. This year, Toronto's CN Tower will help promote Community Living Month by lighting up in **blue** and **green** (the official colours of the Community Living movement) on **Wednesday, May 1st** as part of Community Living Ontario's ***Shine a Light on Community Living*** initiative.

Community Living Ontario is calling on families, friends of Community Living and businesses to participate. As a member of the city of Timmins, community who believes strongly in the Community Living movement, Community Living Timmins are inviting you to shine a light, raise awareness, and celebrate with us. **Join us on May 1st** — or another date in May — and change your exterior lights to blue and green in support of Community Living Month. Together, we can create a powerful example of inclusion that will shine not only in our community, but throughout many others across the province.

Will you join us this year?

We thank you in advance for your time and consideration. If you have any questions about this unique campaign, visit communitylivingontario.ca/community-living-month or contact me via the information below.

Sincerely,

Johanne Rondeau
