Northern College Student's Graduation Luncheon Celebration!

On April 26, 2024, Community Living Timmins celebrated the graduation of Aditya and Puneet from the “Addictions and Mental Health Worker” course at Northern College. Both had successful placements in our Passport and Supported Independent Living Services.

Both students were given gifts and a certificate in recognition of their success. A pizza lunch along with a lot of laughs and fun conversations were enjoyed.

We are also proud to announce that both students were hired permanently at CLTIC in the Brian Romain home and in Passport Services. Welcome to our family!
