

# March Break 2024

**March Break 2024 proved to be very entertaining for the participants of the Foundation Services. Many fun activities took place such as: Monday movie matinee and Rock and Bowl Tuesday. On Wednesday everyone made their own pizzas and held a game and movie night. On Friday the spring-like weather was taken advantage of, and the group ended up in Cochrane where they went for a swim and had lunch. A big thank you to the Management and Finance committee for approving funds from our fundraising budget to make this possible! A hand of applause goes out to Nicole Rice who planned and facilitated this fun activity filled week.**
